4th to 8th May 2020

Service

Dear Friends and Co-workers,

We warmly invite you to participate in a special on-line celebration of Wesak during this extraordinary time. Wesak is the high point of the spiritual year, a time when the aspiration of humanity is focused into an appeal for spiritual Light, Love and Power. It is also when that appeal is answered by the coming together of the assembly of Disciples from all the ten directions, the Christ and the Buddha.

The retreat will be webcast via Zoom from May 4th to May 8th. Participants can attend all or portions of the retreat. Each day will have specific morning, afternoon and/or evening sessions. It is suggested that a contemplative Silence be maintained between sessions.

*Retire into the **silence** and attune yourself unto the whole. EP II p. 39*

In keeping with the intention of Wesak, we encourage you to enter into this event as a selfless service by contemplating the aspirations of humanity and acting as a focus for that longing for Light, Love and Understanding that is especially powerful at this time every year. It helps to refine one's intention by reflecting on the words: "Not for my sake alone do I undertake this activity."

A Google Group is being created to register all those who would like to be kept informed of updates in relation to this event, to receive recordings of various sessions and for post Wesak correspondence. You will find details on how to be added to this email group at the end of this invitation.
