

Workshop of the The Harmonic System of Nations (May 8, 2020)

First of all, let's present the context of this perspective.

This way of setting a possible **Harmonic System of Nations** comes from around 40 years of group study and experimentation of the Pythagorean laws of Harmonics applied to the Teaching of the Seven Rays. Since the '80 of last century, attempts have been made as forerunners by a Group and then groups of Hearts&minds, oriented to embody the **1-3-7-49** Model of Space and Hierarchy through a subjective group working, using the *as if* golden Rule *Below*, and *Above* following the celestial rhythms and cycles of the solar Plan.

Accordingly, even the website structure of TPS (online since 2012, in 3 languages up to now) stems from this progressive attempt to embody the hierarchical septenary Model, in order to create a living, magnetic and conscious entity.

In the first cycle of 49 years of this Systemic Group attempt, starting from 1987, the TPS project was conceived to express the 5th septennium work dedicated to Manifestation, namely as a window open to the world in order to saturate Space and human mentality with the sowing of "Ideas, Formulas and Forms for a new Culture and Civilization" in alignment and resonance with the celestial rhythms and cycles of the solar Plan. Behind or inside, the current international group which gives life and energy to it called itself POP or *Prototype for a Planetary Order* (see the main text: Asserting the Planetary Plan).

As it was presented last year at the Conference, the Pythagorean Lambdoma or 7x7 matrix, ruled by the Seven Rays of Life, is a scientific and magic way to "square the circle" of any Idea.

In the case of the hierarchical Plan, this matrix of 49 planetary Goals and Vortices is a first *systemic formulation* of Its buddhic energies or impulses onto the causal and fiery World of abstract Thought, therein fixing its living 7 main centers and 42 minor ones.

These 49 Centers or Fires of Brahma have to be activated by group soul attestation and meditation – and by the united human Group as a whole -- through 49 relevant Functions identified by their mottos or Ideal formulas. Human hearts and minds, the hands and feet of Hierarchy, have to embody and translate this ideal Prototype into a Harmonic or systemic Action, that is, into a spiritual coordinated cooperation for and towards the Common Good.

As we said in the presentation, the **Plan** or the **planetary Order**, as any Idea, is a living Entity, a *substantial energy* and an *energetic substance*, which requires a harmonic human system of relationships to be worked out.

So, what we are going to do in this workshop is to investigate the basis and guidelines for a group work which will focus on this harmonic System of Nations, in an attempt to identify the "right" place or Function of the Nations whose Rays are not indicated by the Tibetan Master. This requires hierarchical skills and knowledge of course, but the New Group of World Servers, the planetary Ajna centre, can use and expand its vision capacity, availing itself of the *system of perspectives* which only a harmonic group can offer.

Btw, the *system of perspectives* way of thinking was indicated by H.T. Laurency, a 5th 7th Ray Swedish disciple of last century, as the closest to the *causal or soul knowledge*. The mental unit on the 4th subplane of the 5th manasic plane at its best relates perspectives into a harmonic system organized according to the Law of Analogy and Correspondence, thus embodying through the antahkarana, the

rainbow bridge, the psycho-geometrical Law of the Golden section, the Law of Venus, our Solar Angel.

“The Lord of the World, the "Ancient of Days," is releasing new energies into humanity, transmuted in the present furnace of pain and fiery agony. This transmutation will bring about a new power of sacrifice, of inclusive surrender, a clearer vision of the Whole and a cooperative spirit hitherto unknown and which will be the first expression of that great *principle of sharing*, so sorely needed today.

I am not here speaking idealistically or mystically. I am pointing out an immediate and possible goal; I am giving a clue to a scientific process which is going on under our eyes and which is, at this time, at a point of crisis.” [DN, 95 - written in 1944]

So let’s go back to our goal. We have seen the 3 perspectives of the 3 Aspects Spirit-Consciousness-Substance of the central diagonal of the Lambdoma of Nations: is there anybody who wants to ask or contribute to these options?

Then we will try together to hypothesize the possible Rays or ‘energetic function’ in the Lambdoma starting from the Nations indicated and commented by DK.

[3 PATTERNS]:

“It should be remembered that **each ray embodies an idea which can be sensed as an ideal**. The rays in time produce the world pattern which moulds all planetary forms and thus bears witness to the inner potency of the evolutionary processes. This pattern-forming tendency is being recognised today by modern psychology in connection with the human being and his emotional or thought patterns are being charted and studied. *So it is with the nations and races also.*

37. Every ray produces three major patterns which are imposed upon the form nature, whether it be that of a man, a nation or a planet. These three patterns are: *the emotional pattern*, embodying the aspiration of a man, a nation or a race; it is the sum total of the desire tendency at any one time; *the mental pattern*, emerging later in time and governing the thought processes of a man, a nation or a race. **The emotional and mental patterns are the negative and positive aspects of the personality of a man, a nation or a race. The soul pattern is the pre-disposing and spiritual goal, the ring-pass-not or destiny which the spiritual principle succeeds eventually in imposing upon the personality of a man, a nation or a race. This soul pattern eventually supersedes and obliterates the two earlier pattern-producing processes.” (DN 57)**

EMOTIONAL PATTERN - MOON SIGN

MENTAL PATTERN - SUN SIGN

SOUL PATTERN - ASCENDANT SIGN

Let's remember that “...**humanity differentiates itself into nationalities**, living at one period of time **upon certain territories and so constituting that amalgamation of forms which we call nations or races**. Basically and fundamentally the souls, informing these nations or races,

remain detached from identification with them until such time as such souls can function on earth. Until, therefore, astrologers know more about group astrology and know also how to determine past influences as well as forecasts, it will not be possible for them to assign the correct ruling signs to the various countries and nations or to check the accuracy or the inaccuracy of the statements which I may make in the following tabulations.” (DN, 63)

For example starting from the ex British or *Brex* Empire, remembering that DK “**differentiate most carefully between countries and nations**, owing to the fact that today and increasingly in the future, they will not be synonymous. The British nation is, for instance, a great synthesis of people, as is the United States of America, and also, in a lesser extent, both Brazil and the Argentine.” (DN, 63)

“I would like to point out that in the British Empire there are several major and distinctive sections which are themselves definitely governed by certain ruling signs; [therefore, before giving the rulers of the capitals,] I would like to indicate the influences which control the British Empire through the medium of its component parts; they are an important factor in present events, owing to the major and powerful nature of the part Great Britain is playing in the present situation [dictated in 1944]. As you will have noted Great Britain is ruled by Gemini and Taurus, and consequently the principles of multiplicity and integration are simultaneously present. Duality, triplicity (England, Scotland and Wales) and also differentiation are the conditioning aspects of the empire. Under the major control of Gemini and Taurus you have the following potencies active:

<i>Egoic Ruler</i>	<i>Personality Ruler</i>
Australia -----Virgo----- 6th -----	Capricorn----- 10th
Mercury-Moon-Jupiter	Saturn-Venus
Canada -----Taurus ----- 2nd -----	Libra ----- 7th
Venus-Vulcan	Venus-Uranus-Saturn
India -----Aries ----- 1st -----	Capricorn----- 10th
Mars-Mercury-Uranus	Saturn-Venus
NewZealand-----Gemini-----3rd-----	Virgo----- 6th
Mercury-Venus-Earth	Mercury-Moon-Jupiter
South Africa-----Aries ----- 1st -----	Sagittarius---- 9 th
Mars-Mercury-Uranus	Jupiter-Earth-Mars

These are the major divisions. There are lesser divisions but with these I am not here concerned.

These countries are related to the mother-country through their planetary rulers, and in this statement you have a definite hint conveyed. The zodiacal signs relate, but the planets are more influential at this stage of evolution. (DN 68-9)

[DN 102: The head centre [SOUL RAY] of the Occident is beginning to react to second ray energy and the ajna centre [PERSONALITY RAY] to fourth ray energy and in this lies the hope of the race of men.

“...if it is remembered that **humanity is primarily governed by two rays (the second and the fourth)** it will be found that those nations and countries whose governing rays are also the second and the fourth must and will play an important part in determining human destiny. EA 527:

2nd Ray Nations

DN 54-5:

Great Britain represents that aspect of the mind which expresses itself in intelligent government, based on just and loving understanding. That is, of course, the ideal before her, but not as yet the exactly fulfilled achievement. The **United States** represents the intuitive faculty, expressing itself as illumination, plus the power to fuse and blend. **Brazil** will — at some distant date — represent a linking interpreting civilisation, based on the unfoldment of the abstract consciousness which is a blend of the intellect and the intuition and which serves to reveal the wisdom aspect of love in its beauty.]

«The Age of Nations is past. The task before us now,

if we would not perish, is to build the Earth.» (Teilhard De Chardin)

OTHER Extracts:

It is not my intention to give you the ruling signs of the capitals of all the countries; I have dealt with but only the more important:

<i>Country</i>	<i>Capital</i>	<i>Soul Ruler</i>		<i>Personality Ruler</i>
Belgium -----	Brussels -----	Gemini -----	3rd -----	Capricorn ----- 10th
France -----	Paris -----	Virgo -----	6th -----	Capricorn ----- 10th
Germany -----	Berlin -----	Scorpio -----	8th -----	Leo ----- 5th
Great Britain -----	London -----	Leo -----	5th -----	Libra ----- 7th
Italy -----	Rome -----	Taurus -----	2nd -----	Leo ----- 5th
Poland -----	Warsaw -----	Capricorn -----	10th -----	Pisces ----- 12th
Russia -----	Moscow -----	Taurus -----	2nd -----	Aquarius ----- 11th
United States -----	Washington ---	Cancer -----	4th -----	Sagittarius --- 9th

An analysis of the signs ruling the different countries will make certain outstanding conditions apparent and even with the small knowledge of esoteric astrology now available will make certain definite information emerge in your minds as vitally explanatory. Capricorn, for instance, seldom appears as a sign governing the egoic expression of any nation but quite often as governing the personality manifestation, or the exoteric country. Austria, Greece, India, Japan and Spain have Capricorn as their personality rulers, indicating age, crystallisation and materialism; a little study of conditions and the present point in evolution will make this apparent. In the next great and succeeding race to this, Capricorn will appear as ruling the egoic expression, for the soul will then be in greater control and certain great groups of human beings (those who now compose the present nations) will be ready for initiation upon the mountain top of Capricorn. (DN 69)

On forms of government

In the *Destiny of the Nations* we read: "The major ideas in the world today fall into five categories", and the last 2 are the following:

"4. The idea of a world state, divided into various great sections. This is the dream of the inclusively-minded few, for which many regard humanity as yet unready. Towards this the entire world is headed in spite of its many ideologies, each fighting with each other for supremacy and oblivious of the important fact that all these ideologies may be temporarily adapted to the groups or nations who adopt them. They are none of them suitable for general use (and I say this equally of democracy as of any other ideology); they suit well in all probability the nations who accept them and mould their national life on their premises; they are only transitory substitutes in this transition period between the Piscean and the Aquarian ages and cannot permanently last. Nothing as yet is permanent. When permanency is reached, evolution will cease and God's plan will be consummated. And then? The greatest revelation of all will come at the close of this world period when the human mind, intuition and soul consciousness is such that understanding will be possible.

5. The idea of a spiritual Hierarchy which will govern the people throughout the world and will embody in itself the best elements of the monarchical, the democratic, the totalitarian and the communistic regimes. *Most of these groups of ideologies have latent in them much beauty, strength and wisdom, and also a profound and valuable contribution to make to the whole.* Each will eventually see its contribution embodied under the control of the Hierarchy of the Lords of Compassion and the Masters of the Wisdom. The restoration of the ancient Atlantean control by the spiritual forces is still in the future but the Aquarian Age will see the restitution of this inner and spiritual guidance on a higher turn of the spiral." (DN, 9-10)

POSITIVE ASPECTS AND BEHAVIOUR:

DN, 11-2: I would like to remind you that the fact that you see the world picture as one of outstanding chaos, of striving ideologies and warring forces, of the persecution of minorities, of hatreds which are working out into a furious preparation for war, and of world anxiety and terror does not really mean that you are seeing the picture as it is in reality. **You are seeing what is superficial, temporal, ephemeral and entirely concerned with the form aspect. The Hierarchy is primarily occupied, as you know well, with the consciousness aspect and with the unfoldment of awareness, using form as a means only for the accomplishment of its designs.** A closer study of the forces which are producing the outer turmoil may serve to clarify your vision and restore confidence in God's plan and its divine love and loveliness.

DN 26: **That great and fundamental reality which you call the "human state of mind" is just beginning to focus itself upon the things which matter and to express itself in a living fashion. That is the factor of moment and not the happenings in any particular country.**

... There is little that you, as individuals or as groups, can do about them beyond seeing to it that there is nothing in you which could make you — unimportant as you may be — a focal point for hate, separation, fear, pride and other characteristics **which feed the fires which threaten to bring disaster to the world.** Each of you can aid more than you can guess through the regulation of thought and ideas, through the cultivation of a loving spirit and through the general use of the Great Invocation whereby these forces and energies — so sorely needed — can be invoked.

HOW RAYS PRODUCE NEW FORMS:

DN 57: The effect of these incoming energies and of the rays which are active at any one time is felt in the following sequential order:

0. RAY=IDEA

1. The sensing of an ideal.
2. The formulation of a theory.
3. The growth of public opinion.
4. The imposition of the new and developing pattern upon the evolving life.
5. The production of a form, based upon that pattern.
6. The stabilised functioning of the life within the new form.

p. 63) DIFFICULTIES IN SIGNS AND RAYS ATTRIBUTION

It might be of interest here if we continued our study by a consideration of some of the countries and their governing signs. This would be a practical though necessarily a most debatable point. It is not related in any way to the geographical position of these countries but to the destiny (future) and karma (past) of **humanity itself as it differentiates itself into nationalities**, living at one period of time **upon certain territories and so constituting that amalgamation of forms which we call nations or races. Basically and fundamentally the souls, informing these nations or races, remain detached from identification with them until such time as such souls can function on earth.** Until, therefore, astrologers know more about group astrology and know also how to determine past influences as well as forecasts, it will not be possible for them to assign the correct ruling signs to the various countries and nations or to check the accuracy or the inaccuracy of the statements which I may make in the following tabulations. **That type of astrology which concerns itself with the past, we call *essential astrology* esoterically, in contradistinction to *predictive astrology*.** Past conditioning factors are basic and essential to the expression of the present and to what happens in the human family at any given moment, and from a proper understanding of the rules which should (but as yet do not) govern the processes of what is sometimes called the rectifying of a horoscope when the exact moment of birth is not known will come the future science of ascertaining those past facts which produce present occurrences.

You will note that **I would differentiate most carefully between countries and nations**, owing to the fact that today and increasingly in the future, they will not be synonymous. The British nation is, for instance, a great synthesis of people, as is the United States of America, and also, in a lesser extent, both Brazil and the Argentine.

FIVE INLETS: (AE 457-8)

City	Soul	Personality	Sign
London -----	5th ray -----	7th ray -----	Gemini. THROAT OR AJNA?
New York-----	2nd ray -----	3rd ray-----	Cancer. PLEXUS OR HEART?

Tokyo -----6th ray-----4th ray ----- Cancer. **BASE OR PLEXUS?**

Geneva ----- 1st ray -----2nd ray----- Leo. **HEART OR THROAT?**

Darjeeling ----- 2nd ray -----5th ray ----- Scorpio. **AJNA OR BASE?**

5. The Significance of Certain Cities.

These energies which we have been considering are released into our planetary life through the medium of certain **great inlets**. At this time there are five such inlets, scattered over the world. Wherever one of these inlets for spiritual force is found, there will also be present a city of spiritual importance in the same location. These five points of spiritual influx are:

- | | | |
|---|----------------------|--------------------------|
| 1. London ----- For the British Empire. | 3RD R THROAT. | 5-7 GEMINI – 1° R |
| 2. New York-----For the Western Hemisphere. | 6TH R PLEXUS. | 2-3 CANCER |
| 3. Geneva ----- For Europe, including the U.S.S.R. | 2ND R HEART | 1-2 LEO |
| 4. Tokyo----- For the Far East. | 7TH R SACRAL. | 6-4 CANCER |
| 5. Darjeeling ----- For India and the greater part of Asia. | 1ST R AJNA | 2-5 SCORPIO |

Later, two more points for energy will be added to these but the time is not yet. **Through these five places and the areas in their neighbourhood the energy of the five rays pours forth [1-2-3-6-7?],** conditioning the world of men, leading to results of profound significance and determining the trend of events. These five points of conditioning energy (in spite of the fact that the energy pouring through Darjeeling has not yet reached its full strength) produce two triangles of force in their inter-relations:

1. London. New York. Darjeeling.
2. Tokyo. New York. Geneva.

Geneva and Darjeeling are two centres through which pure spiritual energy can be directed with more facility than through the other three; they, therefore, constitute the higher points of their respective triangles. They are also more subjective in their influence than are London, New York or Tokyo. Together they form the **five centres of "impelling energy"** today.

It may interest you also to know the governing rays and the astrological signs of these five centres, but it must not be forgotten that the personality rays change from period to period in connection with countries and cities just as with individual human beings:

City	Soul	Personality	Sign
London -----	5th ray -----	7th ray -----	Gemini. THROAT 3RD R "I serve"
New York-----	2nd ray -----	3rd ray-----	Cancer. PLEXUS 6TH R "I light the WAY"
Tokyo -----	6th ray-----	4th ray -----	Cancer. SACRAL 7TH R
Geneva -----	1st ray -----	2nd ray-----	Leo. HEART 2ND R. "I seek to fuse, to blend and serve."
Darjeeling -----	2nd ray -----	5th ray -----	Scorpio. AJNA 1ST R. "I hide the light"

OCCULT SCHOOLS:

LOM 306-309:

“...only those nations which originally had a training school for the mysteries (with three exceptions) will be again, during the earlier stages, permitted national schools. The exceptions are:—

1. Great Britain.
2. Canada and the United States.
3. Australia.

And even these exceptions might be considered only one, the case of Australia, for the other two in Atlantean days had their occult foundations when they formed part of the earlier continent.

...It will be found later on, when the Occult Schools are founded, that they will be situated where some of the old magnetism yet lingers, and where in some cases certain old talismans have been kept by the Brotherhood with just this aim in view.

Branches, affiliated with one of the four central divisions of the one occult foundation, will be found in the following countries:

1. *Egypt*. This will be one of the later schools founded and will be profoundly occult and an advanced school in direct communication with the inner grades. This will be touched upon later.
2. *The United States* will have a preparatory school somewhere in the southern part of the Middle West, and an extensive occult college in California in a place later to be revealed. This school will be one of the first started when the Great Lord begins His earthly career, and during the next five years the seeds of it may be laid if students rightly apprehend the work to be done.
3. There will be one school for the Latin countries, probably in *Italy or Southern France*, but much depends on the political and educational work of the next ten years.
4. *Great Britain*. At one of the magnetised spots in either Scotland or Wales, a branch for occult training will be begun before so very long, which will lay the foundation and embrace the curriculum for the earlier grades. After it has been in existence for a few years and has proved the effectiveness of its training, and after troubled Ireland has adjusted her internal problems, a school for the more advanced grades, and for definite preparation for the mysteries will be started in Ireland at one of the magnetised spots there to be found. This school will be very definitely a school where preparation for a major initiation may be taken, and will be under the eye of the Bodhisattva, preparing the pupil for initiation upon the second ray. The first school in *Egypt* will be for those who take initiation on the first ray in the Occident.

Those who take initiation on the line of the Mahachohan, or on the third ray, will take it at the advanced occult school in *Italy*. In this way the Occident will have its centre where active instruction may be given according to the three lines of approach, and which will give preparation in the inner mysteries.

5. A preparatory occult school will be found, too, in *Sweden*, for those of the northern and German races who seek the Path, and when it has been extant for some time *Russia* may then be in a position

to house the headquarters for the more advanced school affiliated to the preparatory one in Sweden. In connection with the Egyptian advanced school will be a preparatory one in *Greece* or in *Syria*.

You have, therefore, the following schools as planned, and must bear in mind that the schools wherein the preparatory work and earlier grades are found will be first in order of time, and are in process of founding now, or will be founded during the period immediately preceding the Coming of the Great Lord. The founding of others will be definitely the outcome of His work, and that of His Masters, and will depend upon Their decision as to the success of the earlier endeavour.

Preparatory Grades ----- Advanced School

1. Greece or Syria leading to ----- Egypt
2. Middle West, U.S.A. ----- California
3. Southern France----- Italy
4. Scotland or Wales----- Ireland
5. Sweden----- Russia
6. New Zealand ----- Australia

There is also planned a preparatory school for the advanced egos of the fourth root-race. This will be under the Manu of that race and will be situated in *Japan*, with its most esoteric branch in western *China*. This makes the seventh in the group of schools outlined.

It is not purposed as yet to have branches in Southern Africa or Southern America. Their day is not yet, but comes in the next cycle.

Now, I would earnestly call to your attention that the schools will make but small beginnings and will be launched in a way that will appear at first as too unimportant to be noticeable. A beginning will be made with members of the different occult schools, such as the esoteric sections of the Theosophical movement, and others. The work in Britain, America and Australia is already in process of inception, whilst that in Sweden will shortly be on foot. The others will follow at slightly later dates.
