## 2023 SOLAR RITUALITY AND EPHemerides

(from December 2023 solstice to the 2024 one)

The TPS *solar Sowing*<sup>1</sup> intends to follow, "with a united breath and unified rhythm", the *causal* and *causing cyclic* pulsations of the celestial [Rhythms and Rituals](#): *we raise our eyes to the Heavens* in an attempt to recognise and assist, according to the systemic [Model](#) of [Astrosophy](#), those *Signs* that guide and *in-form* the evolutionary advance of planetary and human Consciousness.

According to this understanding, these *Signs or Directions* between Heaven and Earth are then the most propitious *Dates* to introduce, into the field of general consciousness, *Seeds* resonant to the evolutionary Causal Energies: acting as a *group* part of the [world servers](#), through our [creative imagination](#), we are attempting to imitate the sublime [Art of Ideas](#), those *Powers that produce precipitates*, in order to contribute to the 'beneficent fulfilment' of the [planetary Plan](#).

Analogous to the ancient builders of sacred temples, *orienting* the sowing of the new *Forms* to the Directions among the celestial *Formulators* accompanies and assists the [harmonic](#) and [conscious](#) precipitation of the spatial Energies, of the *Ideas*, according to the Order of their **Seven Rays**.

*"The substance of the Fire of Space directs the human consciousness. Since it is acknowledged that even the rays of the moon help the growth of plants and affect inanimate objects, one may go a step further and admit the creativeness of the rays. Certainly the sun—the life giver—saturates the entire Universe; but the realization that the streaming rays impart a conscious force of energy will afford the most fiery attainments. Cosmos demands uniformity of striving in all things. Sensing the vibrations of the currents, humanity will discover the multifold creative transmissions of the rays. Thus does Cosmos bestow its treasures. The substantiation of these treasures is inevitable. Spiritual application should be accepted equally with the wondrous powerful impulse. Cosmic creation is built upon the foundation of spirit. A discovery comes in a harmonious fusion with a cosmic ray. The rays from heterogeneous elements bring immeasurable revelations to humanity."*<sup>2</sup>

To [build the Future](#) by the collective creative imagination is not only possible, but dutiful, and powerfully beautiful: the [Workshop of Thought](#) and the Sowing of TPS *dreams* of a **New Culture and Civilization** and that of a **New World Religion** (the primary Goal and theme of the current *Sixth seven years* 2022-2028), at the Service of the general [Plan](#) of Evolution and of a *new human planetary Order*.

Specifically, in the current **49-year (1987-2035)** construction cycle or first 'strike' of the [49-goal planetary Plan](#) (Goals deduced from the Occult Teachings and foreseen for the evolutionary and conscious advancement of humanity and the planet in the current third millennium), **2024** corresponds to the step **6.3 - Communion with the World of Ideas** (each year therefore corresponds to the assertion of the corresponding *Goal* and its sowing into the consciousness of the human group):

This is the *third year of the Sixth Septennium* since the informing energy of the **Sixth Ray of abstract Idealism** was assumed as the primary Energy to sow the values and ideals of a new Culture and Civilisation and a new World Religion:<sup>3</sup> a reunifying, synthetic, abstracting quality towards Essence, proper to the **World of Ideas** or Causes.

“The unifying power of the 6, without impeding the upward force of Ideas and their productions, guarantees unity of everything and thus the access to any of them. ...

World of Ideas  
= *world of Intervals*  
= *world of the Soul*  
= *free consciousness*  
= *intuitive level*  
= *infinite*  
= *harmony achieved*  
= *centrality*  
= *universal communion.*”<sup>4</sup>

In particular, in the [Lambdoma](#) living Matrix of the inner Cycle of the Plan, Goal **6.3** combines within itself the Primary Goal **6.6 - New World Religion** and **3.3 - Group Initiation:** the *Human Group* must initiate itself into the Idea of Universal Unity and Brotherhood, towards the Communion of the Worlds.

It is therefore necessary *to conceive and activate the thought-form of a One Humanity, hierarchical, animated by the Will to Good.*

A hierarchical thought-form that can only be Sevenfold:

*Humanity is Will  
is Love  
is Light  
Humanity is Harmony  
is Thought  
is One  
Humanity is Order*

And that *it is good* to sow at the 4 'corners of the world' (see in the [Signs of the Heavens](#) the Cross of the Solstices and Equinoxes) and according to the 12 zodiacal stages of the Evolution of Consciousness (see [Online Celebration of the 12 Assertions of the One Humanity](#)).

**6.3-2024** is the last of the [Seven Steps towards the summit of 2025](#) - **Goal 6.4**, a crucial date for the fate of the Planet and the Hierarchy's Externalisation.

We must *be ready in Group Consciousness*: Humanity is ever more powerfully impelled to *unveil its essential Reality*, its *Soul*, that *Fourth Human Hierarchy* which teaches us from the inner planes the conscious and creative governance of the Planet and its natural kingdoms and which will "restore the Plan of Love and Light on Earth".

In conformity between Above and Below, the *seeds* for a New *ideal Religion* are directed and *oriented* by and towards the creative Powers and [psycho-geometries](#) of the solar and cosmic System, in order to set up, in imitation of the builders of the megalithic alignments and sacred temples, some *vital channels for the beneficial accomplishment of the Work*.

*Anchoring the foundations in the Elysian Fields*, connecting and directing the Work towards the Sources of Life, its realization will follow in due course, according to the progressive *resonance power* of us-humanity to the celestial energies or Ideas, to the *Fiery World*.

With such a humble attitude, humble as adherent to the service of the Earth to Heaven, *burning with ignorance* and joyous dedication, let us work *as if we were builders of the Future*, as active *units of life* of the Solar System and infinite Space, such creatures driven by the unceasing will to collaborate harmoniously with the macrocosm and the Supermundane.

"*Who is well oriented is the Way.*"

Note the *Centre of the Centres 4.4* of the 25<sup>th</sup> Cycle of such 49 Cycles of 50 days (2450 days, about 7 years), which will be on [11 March 2024](#): **4.4 FROM THE PLACE OF FIRE I CONTEMPLATE AND REFLECT THE MODEL.**
