

Signs of the Heavens year 2025 - 6.4

We have arrived at the Initiatory *Date* of 2025, a time of special unification between [Humanity](#) and [Hierarchy](#),¹ a crucial Date for the fate of the Planet and the *Externalisation of the Hierarchy*. A *Decision* as to how Humanity will enter the new Age will be taken by the 6th initiation Masters of our *Solar Hierarchy*, [Shamballa](#).²

What are the signs of Heavens? How to assist this initiatory moment?

According to the esoteric approach, since all the answers and all the solutions come from Heaven, that is, from the Center of our unitary Essence, in preparation or in expectation of (tending to) this primary annual [cycle](#), we have *raised our eyes to Heaven* to try to recognize and assist, according to the understanding of [Astrosophy](#), those signs that guide the evolutionary advance of the planetary and human Consciousness. We therefore refer to the two documents [The Seven Steps Towards 2025](#) and [Outlines of the Sixth Septennium](#), recalling here their synthetic traits.

In the heliocentric chart of the *high causes*, these are the positions of the 4 *solar Maharajas*³:

<p>6.4 – 2025</p> <p>Religiosity and intelligent communion of Art</p> <p>Neptune – Mercury</p>	<p>Jupiter in Gemini 5 – Cancer 5 (enters on May 16)</p> <p>Saturn in Pisces 5 – Aries 1 (enters on Nov 4)</p>	<p>Uranus in Taurus 7</p> <p>Neptune in Pisces 7 – Aries 1 (enters on May 23)</p>	<p>- Jupiter square Saturn (Jan 27)</p> <p>- Jupiter square Neptune (May 15)</p> <p>- Neptune conjunct Saturn in Aries 1 (Dec 11)</p>
---	--	--	--

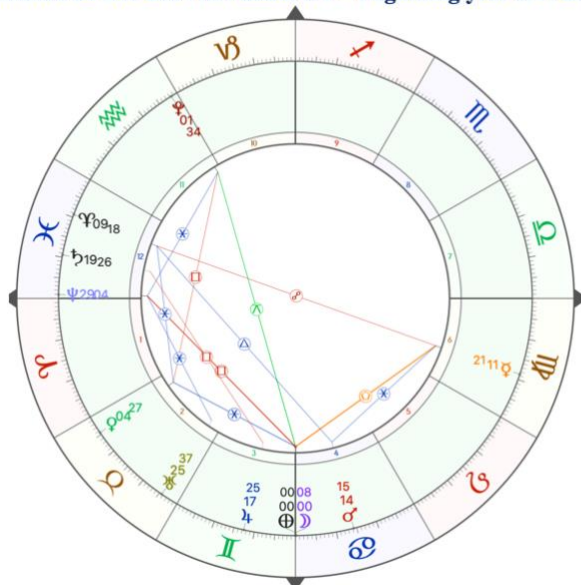

The available causal Energies are invoked and evoked to nourish the advance of the [evolutionary Plan](#) of the [human Group consciousness](#), according to the Goals or steps intuited in its *first formulation and first cycle of 49 years (1987-2035)*, for which the crucial step of **2025** corresponds to the step and **Goal 6.4 – Religiosity and intelligent communion of Art**:

Humanity must intelligently learn the sacred Art of living as a Unity, as an egoic Group, as a human Hierarchy. This ordered Communion or Brotherhood is the reality of Heaven and is our highest Goal, yet it already pulsates here and there and shines on Earth, in the pearls of Beauty, in the enchantment of Harmony.

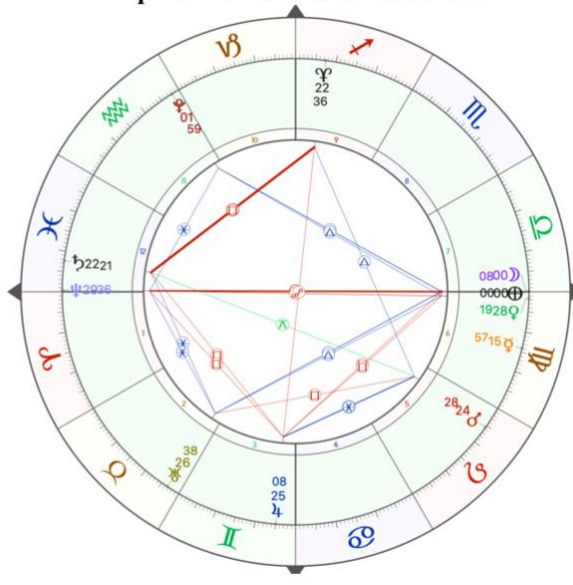

We have thus associated the 4 crucial impulses of Cycle 2025 (solstices and equinoxes) with 4 causal Formulas that have changed the direction of human and planetary evolution: 4 Words of Power pronounced by the *Master of masters*, the Christ, in His first Coming, *awaiting and preparing for His Reappearance*.

Solstice 21 Dec 2024 h. 9.22am UT – Beginning year 6.4 / 2025

Not My Will, but Thine, Be Done.

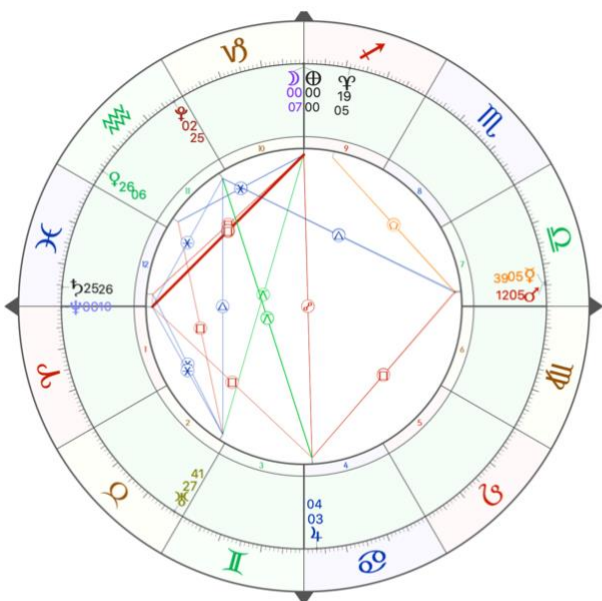

Equinox 20 March 2025 h. 9.03am UT

Love one another. As I have loved you.

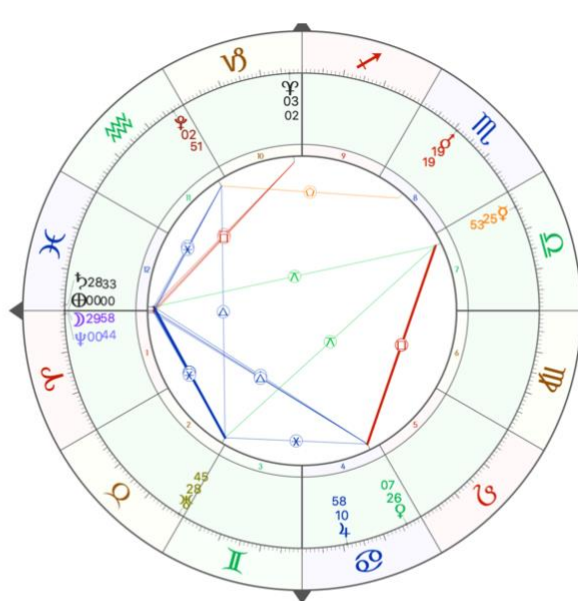

*

Solstice 21 June 2025 h. 2.43am UT

I and the Father are One.

Equinox 22 Sept 2025 h. 6.20pm UT

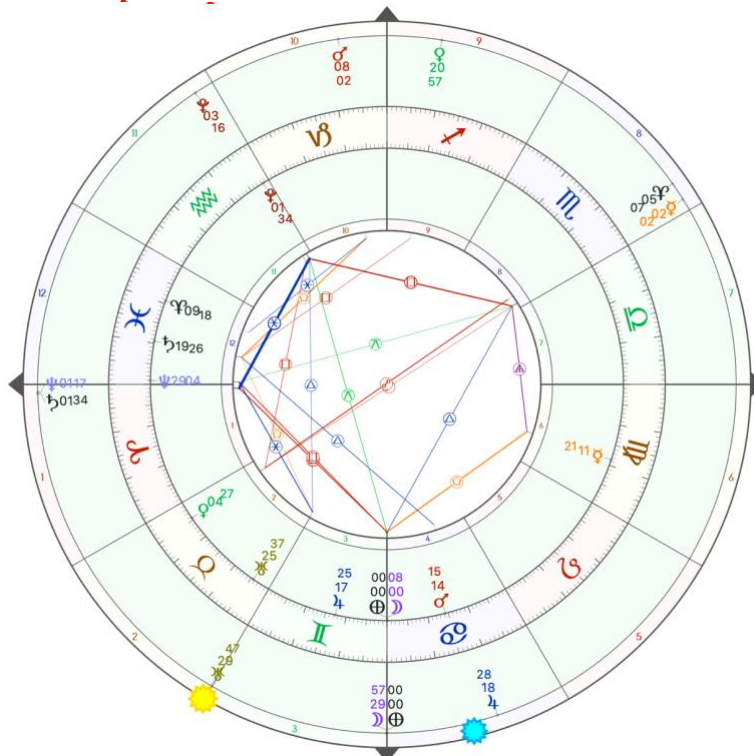

I am the Way and the Truth and the Life.

Heaven and the solar and planetary Governments of Earth have decided *the Return of the Christ Principle* in Man, the awakening and triumph of *intelligent Love and loving Intelligence* through *Group Consciousness*. We must adhere to our best to the vision of the foreseen Victory.

What then are the signs of Heaven?

Tropical heliocentric chart 2024-2025 Solstices

Inner wheel: Solstice 21-12-2024 h. 9.22am UT – Outer wheel: Solstice 21-12-2025 h. 3.04pm UT

The *Sixth Ray of Abstract Idealism and Devotion* of **Neptune** and the *Fourth Ray of Harmony through Conflict* of **Mercury** inform our Work;⁴ in the [Lambdoma](#) living matrix of the inner Cycle of the Plan, the **6.4** is at the center of the [Sixth septennium](#) (2022-2028) dedicated to asserting and sowing the values and ideals of a [new world Religion](#), the reunifying, synthetic, abstracting qualities towards Essence,⁵ towards the World of Ideas or Causes, the *celestial Olympus*, the *Beauty of Being*.

At the level of the Solar System, the year 2025 will bring some truly primary changes: on December 11, 2025 **Neptune**, heliocentrically in the Sign of the Homeland of Ideas **Aries** since May 23, 2025, will join the Planner (3rd Ray) **Saturn**, recently entered into its (Aries) radiant and 'new' waters (November 4), allowing the birth of enlightened and aware Communities, of new Values and common Projects.

The year therefore ends with the meeting between the *Light of Truth*, Saturn, and the *living Communion*, Neptune, which, strong in the initiating and renewing power of Aries, illuminate and renew all the 'fields' uniting them, thus offering, at a human level, the impulse for the planned foundation of a New Culture and Civilization and of a New pan-human Communion.

Jupiter, heliocentrically in **Gemini** from June 6, 2024 until May 16, 2025, when it enters **Cancer**, meets Its cosmic prototype, [Sirius](#):

Jupiter, Solar Heart, and **Sirius**, Cosmic Heart, on 3 November 2025 (the previous time was at the end of 2013) are One: the planetary Heart, [the Hierarchy](#), expands its magnetic power and attraction towards cosmic Love through the mediation of the solar Heart, and [the human Planetary Order](#), cell of that Heart, can tune its pulsation to that of the Cosmos.

Uranus, the Solar Initiator, aligns itself in the background of the constellation of the Bull with the Cosmic Origin, [Alcyone](#) in the Pleiades, on November 22, 2025, the Heart of the Seven Solar Systems of which we are part.

Alcyone is a star connected to **Aquarius**, our next evolutionary horizon, and to 'individual' Service, in the sense of responsible and conscious. The **Sun** (the Soul), therefore, through the viewfinder of the **Earth** (Personality) and the *cosmic traction* of **Uranus**, is One with this cosmic Origin (Monad) and *together they open the Eye* (the Planetary Ajna Center: [the New Group of World Servers](#)) to contemplate the Infinite.

Uranus will then enter **Gemini** for *seven terrestrial years* on January 9, 2026.

The Destroyer and Reformer **Pluto** has been navigating the waters of **Aquarius** (from January 22, 2024 and until July 2043) extracting, as it is done with diamonds from the depths of the bowels of the earth, the riches of heavenly spaces, inexhaustible ewers of *electric Life*.

Pluto in Aquarius awakens movements of independence to be oriented from the egocentric sphere (self-will) to the group consciousness (One Humanity), thus impressing the imprints of the New Era in the depths of consciousness and subverting the 'little human wills'. Either the clash or the encounter between evolutionary Necessity and free will, between individual and collective rights and duties, between appropriation and division, between crazy or responsible management of resources and the *Common Good*, between solar and artificial intelligence, have precipitated, and will precipitate ever more intensely, the *burning ground* for the initiation of humanity to the *Great Service*, to the supreme Freedom and Truth of *Brotherhood between the worlds*.

Closing in beauty, the *Magister Musica Mercury* flies from solstice to solstice (2024-2025) between the two threefold Signs *Virgo* and *Scorpio*, showing to the *Cross in the Circle* (the Humanity of the Earth, governed at the 4 corners of the world by the Cardinal Cross of the solstices and equinoxes, the major Breath of the Planetary Logos) His Essence, the Golden Way between opposites (*Libra*): **Harmony**.

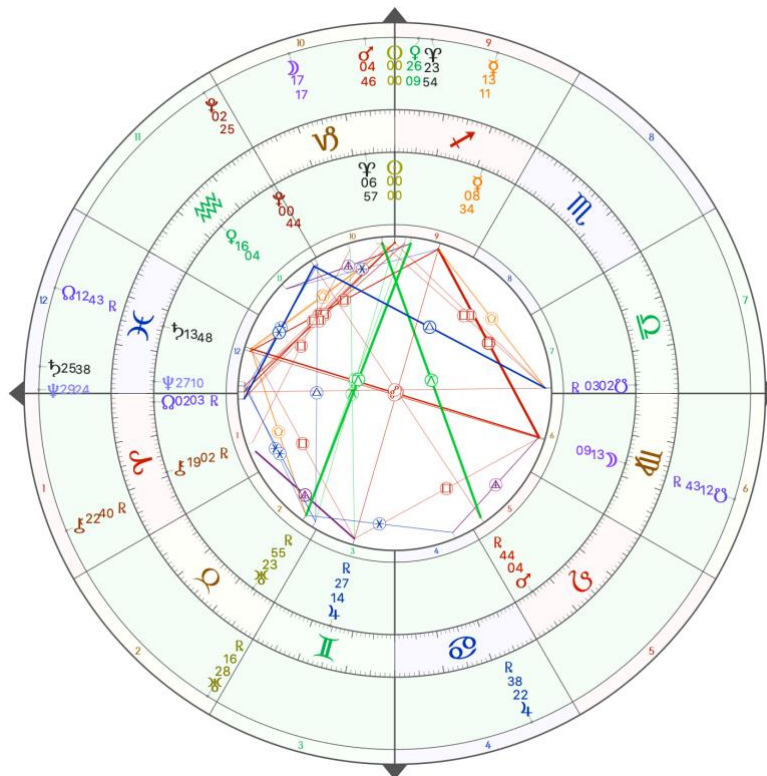

In extreme synthesis: the **6.4** Interval teaches that the universal **Unity** and **Brotherhood (6)**, primary Ideas of the Age of Aquarius (and beyond), are realized through the Beauty and Harmony of the Hierarchy of Masters and the Muses of the celestial Olympus (4).⁶

In the *Cross in the Circle* of the geocentric perspective, the one that teaches where and how to precipitate the evolutionary causal energies, the heliocentric Formulas evoke the geocentric responses by the One Group, the *Planetary Server*:

Despite the apparent facts of today's world, *temporary* evidence and consequence of past causes, Humanity is moving, under the evolutionary urge, to become more and more a unitary Soul or Group Consciousness, destined ever more powerfully to *reveal its essential Reality*, that **Fourth human Hierarchy** which teaches from the inner planes the *conscious and creative* government of the Planet and its natural kingdoms, and which "will restore the Plan of Love and Light on Earth".

¹ “The whole world problem has reached a crisis today and because its clarification will be the outstanding theme of all progress—educational, religious and economic—until 2025 A.D. ... Thus a great and new movement is proceeding and a tremendously increased interplay and interaction is taking place. This will go on until A.D. 2025. During the years intervening between now and then very great changes will be seen taking place, and at the great General Assembly of the Hierarchy—held as usual every century—in 2025 the date in all probability will be set for the first stage of the externalisation of the Hierarchy. The present cycle (from now until that date) is called technically "The Stage of the Forerunner". It is preparatory in nature, testing in its methods, and intended to be revelatory in its techniques and results. You can see therefore that Chohans, Masters, initiates, world disciples, disciples and aspirants affiliated with the Hierarchy are all at this time passing through a cycle of great activity”. (A. A. Bailey: *The Externalisation of the Hierarchy*, p. 363 and 530, Lucis Collection).

² “All the Masters Who are initiates of the sixth degree meet in conclave and together, and before making Their final decision (which will probably remove Them from the Path of Earth Service), decide what measures They propose the Hierarchy should take which will drastically and permanently affect the planet on which They have lived and for which They have worked... They in Their totality – at any given time – are the group which makes final decision anent human affairs... The opportunity comes to the Hierarchy every forty-nine years, and the year 1952 will see a group of these higher initiates choose the Path of Their future livingness and Being... The last initiation of this kind was therefore held in 1903.” (A. A. Bailey, *The Rays and the Initiations*). The years that mark the beginning of this higher Cycle are therefore 1903, 1952, 2000, 2050... with the year **2025** as the crucial Centre **4.4** of the current *Cycle of Decision*.

³ The number after the Zodiac Signs corresponds to one of the 7 sectors or qualities of each Sign, 5 degrees of which are informed by one of the Seven Rays, with the 4th Ray associated with its bisector (15°).

⁴ In particular, the Rays of the Goal **6.4** *magically* coincide with the two Rays of the Italian Nation, which will see verily in 2025 the ‘first birthday’ of Neptune on its natal position in the horoscope of the *Unification of Italy* (March 17, 1861). The **6th Ray** of *abstract Idealism* will be magnified: the fiery or abstract Thought (which connects to the World of Ideas) will be, to a certain extent, *artfully* expressed through creative imagination and the construction of saving Forms, in [group formation](#).

⁵ 6th Ray (**Neptune, Mars**): Communion, Community, Values, Ideals, Religion, Communication

⁶ The *Solar Sowing 2025*, in following “with united breath and unified rhythm” the causal and causing cyclical pulsations of the celestial Rhythms and Rites, will include from this year **6.4** also the encounters with the celestial bodies of 9 *asteroids* that the inherent human Intelligence has recognized and attributed to the very high Energies of the Goddesses of Beauty, the **Nine Muses**, hierarchical and devic Powers that, as the crown of the God of Love, Zeus (Jupiter and the divine Ray of our solar system), make Creation perfect *through Their songs and dances*, teaching their saving Art to the Heroes among men, to the disciples of the *Art of living according to the hierarchical and Christic Principle of Good, Beauty and Truth*.
